

LEVI SPIRIT

Only 10min drive away from our Luxury Villas, in the magnificent natural surroundings lies the Finlands northernmost 18-hole Golf Course. Between the beautiful Levi Fell and the river Ounasjoki, surrounding lake Taalo, this versatile and spacious golf course challenges and meets the needs and wishes of an average club players. Your favourite hobby combined with the utmost luxury living, hospitality and private chef catering will add up to a relaxing experience...

The season for Golf runs **from mid-June until end of September**. In the beginning of the season the midnight sun allows us 24h of golfing time and from September you can already see the northern light's at night time!

To make the most of this experience, you will be guided through the course and given tips and training by our local professional PGA pro.

Sample of the program – Final Itineraries will be tailor made to each individual group
