

READY FOR TAKEOFF!

Only 1,5h Helicopter ride away from our Luxury Villas, The Northern Swedish Lapland offers magnificent heliskiing in a mountain area wider than 4 500 km² with big open slopes, glaciers and couloirs with untouched snow! This excitement combined with the utmost luxury living, hospitality and private chef catering, we call an experience of a lifetime...

The season runs **from beginning of March until mid-May**. Toward the end of the season the daylight allows 24 h of stunning skiing!

Our professional UIAGM mountain guides always make sure that you will get the best skiing experience – no matter if you are a beginner or a pro.

Sample of the program – Final Itineraries will be tailor made to each individual group
